

Profile

I was born in Bandung on October 9, 2000. I started my career in 2017 as a model. I concentrate and enjoy my job in the hijab fashion industry, runaways, and photo shoots. I've been a modeling coach, a judge at the hijab hunt event, and a speaker on a webinar. I'm also a social activist in education, physical health, and mental health. I understand how to operate Microsoft Word and Power Point. I also use Canva to design some posters.
